Sec Johanns, Went back to where I was raised on a farm in Dalton, No. Raised there in the early forties. Visited in '99.

Most all New Mansions with pools, riding stables, etc.

Most prevalent comment, "Chuck, this farm bill is a free ride. Nothing like it was when we were growing up! You just tell them what your growing and the money flows. No check-up or anything.

CA. is even worse! Not what I spent 23 years in the Military to ensure!

For Christ sake man, look into all of the fraud, lies, you name it and it is there...

The EWG Data Base on the Farm Bill opened my eyes!
